

Elevate your energy storage with the 12V 300Ah LiFePO4 lithium battery. Enjoy long-lasting power, enhanced safety, and superior performance.

With a 300Ah capacity and 12.8V nominal voltage, this battery packs 3840Wh of usable energy, ideal for applications like RV air conditioners or solar pumps. It supports a maximum continuous discharge of 200A, ...

En tant que fournisseur de batterie lithium-ion 12V, notre batterie lithium-ion 12V 300Ah est un remplacement idéal pour la batterie plomb-acide ou la vieille batterie lithium.

12V 300Ah Lithium LiFePO4 Battery, 200A BMS Rechargeable Lithium Iron Phosphate Battery, Up to 15000 Cycles, 3840Wh-Higher Energy Density, Perfect for Solar Energy Storage, Backup Power, RV, Camping

This lithium battery has a large capacity of 300Ah with low self-discharge rate, the discharge depth of our battery is about 100%, which provides 40% more usable power than 300Ah lead-acid battery.

The Power Queen 12V 300Ah LiFePO4 Battery is an eco-friendly and sustainable energy storage solution. Equipped with a 200A BMS, it offers protection against electrical hazards and a long lifespan of up to 10 years.

La batterie 12V 300Ah LiFePO4 de CloudEnergy offre une alimentation durable et de grande capacité pour les applications B2B hors réseau et en extérieur.

High performance LiFePO4 battery?The 12V 300Ah lithium iron phosphate battery from Oasesenergy uses premium A cells, an integrated 200A BMS with higher energy density, more power, more stability and more ...

The 12V/300Ah LiFePo4 battery pack was developed by EVB, it has a BMS and a built-in Bluetooth module to track the battery charge status via the app, available on iOS and Android.

We are excited to introduce our Power Queen 12V 300Ah lithium battery, designed for reliable power storage across various applications. Ideal for home storage, RVs, marine, off-grid systems, UPS, and trolling motors, ...
