

Featuring Honda's original sine wave inverter technology, the EU32i provides a stable supply of high-quality electrical output with a smooth waveform.

We source the best brands of high-quality inverter generators for you - including Saber, Dewalt, Yamaha, SP Tools, and many more.

Durable Construction: Built with high-quality materials and subjected to rigorous testing, the P3200 is designed for durability and long-lasting performance. This generator can withstand tough conditions ...

This inverter generator is designed with a parallel function which you can easily synchronise a second unit to double the power and double the reliability!

Our units are manufactured to the highest standard with harsh Australian ...

Our units are manufactured to the highest standard with harsh Australian conditions in mind. The microprocessor controlled inverter produces a high precision, pure sine wave power output.

It offers a max output of 3200 Watts and a starting output of 3500 Watts, all at 26kg. This generator easily powers caravan air conditioners and operates quietly thanks to advanced noise-reducing ...

Whether you're heading off-grid, powering tools on site, or running small equipment, our petrol and diesel generators offer reliable, high-quality performance trusted by professionals across Queensland.

It features a microcomputer-controlled sinewave inverter that guarantees commercial-quality electricity - ideal for use with frequency-sensitive electrical equipment such as computers. And just like all Honda ...

It features a microcomputer-controlled sinewave inverter that ...

Power sensitive equipment while on the road with this Honda inverter generator. The Honda Inverter Generator 3.2kw is the perfect power source for your "home away from home" while you are on the ...

Durable Construction: Built with high-quality materials and subjected to ...

It offers a max output of 3200 Watts and a starting output of 3500 Watts, ...

Authorized service agents are available Australia-wide, including Perth, Melbourne, Brisbane, Adelaide, and Sydney. Choose the Honda EU32IU 3.2KVA Inverter Generator for unparalleled performance, ...
