

Impressions of visiting the photovoltaic energy storage project

Discover how solar plus storage systems transform energy use in Nevada, promoting sustainability and efficiency in Clark County.

Flying north from the City Hall helipad, it was hard to shake the feeling that Los Angeles never really ends. Downtown skyscrapers and Dodger Stadium parking lots gave way to lush foothill ...

Located in the heart of the sun-soaked Mojave Desert, and just 30-minutes outside of Las Vegas, Primergy developed Gemini, a 690 MWac solar + 380 MW 4-hour battery energy storage project ...

The project's battery storage system is the largest in Arizona to date. The Southwest US state was ranked in the top three among states for grid-scale storage deployments in Q2 2024, as ...

Today, NV Energy celebrated the completion of its new solar and battery storage project at Dry Lake in southern Nevada. The utility owned project provides 150-megawatts of solar energy ...

AES just completed the first half of Bellefield, which will become the largest solar + storage facility in the US. The 1,000-megawatt (MW) Bellefield 1 project in Kern County, California,...

Featuring an impressive 400MW solar PV system coupled with a 1.3GWh energy storage system, it is a testament to innovation and environmental stewardship. Watch our video to witness the birth of this zero-carbon city and be inspired by the future of urban development.

Flying north from the City Hall helipad, it was hard to shake the ...

L.A. Mayor Karen Bass on Tuesday announced the completion of a major new solar and battery storage project. The sprawling field of solar panels and batteries in the Mojave Desert is now ...

Arizona celebrated the official commissioning of the Eleven Mile Solar Center in Pinal County near Phoenix, Arizona. The 300 MW solar farm and 300MW/1200MWh battery energy ...

The world's first intelligent grid-forming photovoltaic and energy storage power station, tailored for ultra-high altitudes, low-temperatures and weak-grid scenarios, has been connected to ...
